

FAASafety Team--FAAST presents:

RETURNING to the LEFT SEAT after Taking Some Time Off!

Learning the Safest and Least Expensive way
YOU CAN REFRESH your PILOT'S STRIPES is
the FOCUS of tonight's presentation.

We'll attack the issues and You will have the
opportunity to be the WINNER! This, because
we'll start from the top, explore the guidelines,
provide you a chart for success, and arm you with
the tools necessary to achieve your goals.

Follow these steps, and you'll be, "cleared for
takeoff" sooner than you might otherwise think.
